Things to do...

- Write a list of things you need to do
- Start Packing...we often under-estimate the complexities of a move
- Return anything borrowed
- Arrange for children to be looked after, if possible
- Ensure all cartons are packed, sealed & clearly labelled
- Remove all items from your fridge/freezer & defrost/dry
- Drain & dry washing machine hoses
- Tape & secure leads on appliances prior to transport
- Dismantle large furniture if required (or leave it to us). Place all bolts, screws & brackets in a sealed bag and stick firmly to the item or in a drawer
- Dismantle outdoor furniture including such items as trampolines, swing sets...etc
- Ensure any gas cylinders have been emptied and certified by an authorised gas cylinder test station
- Drain any fuel from equipment such as lawn mowers & whipper-snippers

Remember...the better prepared you are, the cheaper & less-stressful your moving experience will be!
